Hello, I am writing today because I would like to initiate a new Super PAC. This Super PAC shall be known as the Americans for a Living Wage Super PAC. The goal is to raise awareness, support politicians and ballot measures that help bring the minimum wage to a livable wage.

This committee intends to make unlimited independent expenditures, and consistent with the U.S. Court of Appeals for the District of Columbia Circuit decision in Speech Now v. FEC, it therefore intends to raise funds in unlimited amounts. This committee will not use those funds to make contributions, whether direct, in-kind, or via coordinated communications, to federal candidates or committees.

I take this opportunity very seriously and wish to get started immediately. Please contact me with any further instruction.

Sincerely,

Daniel Lee Kirves II
